About | Definition of About by Merriam-Webster We're about ready to go.. This one is about as bad as that one.. That's about all I know at this point.. It's about time to go.. That's about all the time we have.. We tried just about everything we could think of. About | Define About at Dictionary.com in or somewhere near: He is about the house. on every side of; around: the railing about the excavation. on or near (one's person): They lost all they had about them. so as to be of use to: Keep your wits about you. on the verge or point of (usually followed by an infinitive): about to leave. here or there; in or on: to wander about the old castle.

about.me - Official Site Create your free, one-page website in just a few minutes. About - definition of about by The Free Dictionary Usage Note: The preposition about is traditionally used to refer to the relation between a narrative and its subject: a book about CÃ©zanne; a movie about the Boston Massacre. For some time, this usage has been extended beyond narratives to refer to the relation between various kinds of nouns and the things they entail or make manifest: The party was mostly about showing off their new offices. Dotdash - Wikipedia Dotdash (formerly About.com) is an American Internet-based network of content that publishes articles and videos about various subjects across categories including health, home, food, finance, tech, travel and education. It operates brands including Verywell, The Spruce, The Balance, Investopedia, Lifewire, TripSavvy and ThoughtCo. The website competes with other online resource sites and.
